

YEAR SIX SUMMER TERM WELCOME LETTER

Dear Parents,

It is with lots of pleasure and a sense of accomplishment that I welcome you back to school. Our theme for this term is: **SUSTAINING THE CULTURE OF EXCELLENCE**. I still consider it a privilege to be the Class Teacher of this wonderful Class.

I hope you are as excited about this Summer Term as we are! We are going to have an incredible term together learning about many awesome topics.

This is our Graduation Term! Our pupils would all be moving to their secondary schools of choice. Expectedly, the pupils are looking forward to the Graduation day earnestly, eagerly and excitedly.

In order to prepare and equip the children for life in Secondary school, we will continue to work on organizational skills and work/study habits.

Thank you.
